This document is released for the purpose of interim review under the authority of Greg Haley, P.E. 52292 of K.C. Engineering, Inc., Firm Registration # F-977, on May 2, 2016. It is not to be used for design, bidding, construction or for any other purpose.

The unit prices contained herein are based upon the judgment of K.C. Engineering, Inc. (KCE) As such, these prices may not accurately reflect future bid prices because bidding trends change and opinions of probable cost reflect prior bidding history. KCE cannot and does not warrant or represent that bids or negotiated prices will not vary from an estimate of construction cost or evaluation prepared by or agreed to

For estimation purposes, all pavements estimated at 19' wide. Actual pavement widths may vary and will affect the preliminary opinion of probable construction cost. Pavement lengths based upon GIS data. Actual on-the-ground lengths may vary and will affect the
